THE PRIME MINISTER

6 February 2017

Dear Mr Cowling

Thank you for your email of 13 December 2016. I am sorry for the delay in replying.

I appreciate your invitation to the events at Repair Café Workshop on 15 January and 19 February. Unfortunately, I was unable to attend the former and pressures on my diary will prevent me from joining you at the latter.

I would, however, like to take this opportunity to thank you for your work to support the local community through the DraughtBusters project. I was encouraged to read about the excellent work done to support over 200 households in Reading. I am sure the energy bill savings will have a huge impact for lower income households who are facing the costs of keeping warm. Initiatives such as this can play an important role in my vision to create a society that works for everyone.

I wish you every success for the future.

Yours sincerely

Mr Tony Cowling
